We do want to thank everyone for the kind words regarding our stock and to those who made mention of our work and our introductions in their articles, We say Thank You and we are happy for just such friends.

We are happy that one of the official Table Iris Test Gardens in the U.S.A. is located at Franklin Gardens with elevations of 3369 and 3763 feet. We have on display not only the Table Iris listed in our 1956 catalog and 1959 supplement, but also seedlings, guest iris and small old diploids. If you or your friends have any seedlings or small old iris you would like entered in the Test Garden, send them, there is no charge.
